Prepare for higher levels of study and employment; job search, interview techniques and volunteering. Learner achievement and celebration.

One Stockport Economic Plan
Fair & Inclusive • Enterprising & Productive •
Climate Friendly & Resilient • Accessible & Connected

These contexts support the retrieval and revisiting of embedded fundamental British Values, recognising the dangers of radicalisation and extremism and support the development of inquiry, investigation skills, critical thinking and resilience. Each theme provides scope for looking at developments in technology, media literacy and the safe and responsible use of technology whilst online.
